Dear Brad,

Yesterday, the ASC NMS Panel reviewed the resubmission for Astronomy 1101 (with GE Natural Science—Physical Science).

I am happy to report that the Panel was satisfied with the revisions and unanimously approved the new course with the requested GE status for BA students only.

Should you have any questions about this feedback, please do not hesitate to contact Harald Vaessin, Chair of the ASCC NMS Panel (cc'd on this e-mail), or me.

Best,
Bernadette
