Dear Julie,

On Tuesday, October 29, the ASC Arts and Humanities Panel reviewed a new course request for Linguistics 5050.

The Panel did not take a vote on the proposal but would the following 2 points to be addressed first:

- Why a 1-credit option? It appears that students taking the course for 1 credit would not need to complete any of the assignments. Since this is a hands-on class, why attend the course without doing the exercises? Could such students at least have two assignments?
- Request to add the readings to the schedule. What are the readings within each unit?

I will return the course via curriculum.osu.edu in a minute to enable the unit to make the necessary changes.

Should you have any questions about this feedback, please do not hesitate to contact Richard Fletcher, Chair of the ASCC A&H Panel (cc'd on this e-mail), or me.

Best,
Bernadette
