Dear Roman,

Yesterday, the ASC NMS Panel reviewed two new course proposals for EEOB 3498 and 5911. Both courses were approved unanimously with recommendations:

- EEOB 3498: *Form in curriculum.osu.edu: Panel believes “grade roster component” should be “lecture” & “lab.” It should not say “independent study.” The course is not a true independent study like x193. Could you please confirm and we will make the change for you?*
- EEOB 5911: *Form in curriculum.osu.edu: “never” off campus? Should likely say “always.” Here too please let us know and we will make the change for you.*

EEOB 3498 will next move to the full ASC Curriculum Committee for the 2-week comments period.

Since 5911 is also a graduate course, it next will be reviewed by the ASC Graduate Curriculum Committee for the graduate portion of the course.

Should you have any questions about this feedback, please do not hesitate to contact Harald Vaessin, Chair of the ASC NMS Panel (cc'd on this e-mail), or me.

Best,
Bernadette
