Hello Kate,

This week the ASC Social and Behavioral Sciences Panel reviewed a new course proposal for Public Affairs 4060.

The request was *approved with two contingencies and two recommendations*:

Contingencies:

1. The amount of time for class meetings should be increased for a 3-credit course or the number of credits should be reduced to 2 credits to meet requirements set by the Ohio Board of Regents.
2. Request to obtain concurrences from FAES and Fisher College of Business.

Recommendations:

1. The syllabus should clarify how the 20-minute student presentations will be scheduled in the period designated because there does not appear to be sufficient time.
2. The weekly class schedule should be more specific, including dates for when the reflection papers and final paper are due.

I will return the course in a minute via [curriculum.osu.edu](http://curriculum.osu.edu) to enable the department to make the changes.

Should you have any questions about this feedback, please feel free to contact Tom Schwartz (Chair of the SBS Panel), or me.

My best,  
Bernadette
