

**The Ohio State University  
Colleges of the Arts and Sciences Concurrence Form**

The purpose of this form is to provide a simple system of obtaining departmental reactions to course requests. A letter may be substituted for this form.

An academic unit initiating a request should complete Section A of this form and send a copy of the form, course request, and syllabus to each of the academic units that might have related interests in the course. Initiating units should be allowed two weeks for responses.

Academic units receiving this form should respond to Section B and return the form to the initiating unit. Overlap of course content and other problems should be resolved by the academic units before this form and all other accompanying documentation may be forwarded to the Office of Academic Affairs.

I fully support the development of this course: Language Development, Psych 554. This course is relevant for Linguistics undergraduate majors and minors. The Department of Linguistics does not offer a course that is similar to this one; however, the content of the proposed course fits in nicely with the following courses: Languages across Cultures (Ling375); Language and the Mind (Ling371) and Language Race and Ethnicity in the U.S. (Ling 303).
