Hi Charles,

The ASCC Honors Panel reviewed Political Science 4250H and 4920H. The courses were *approved with the following recommendations:*

Political Science 4250H:

- Make the disability services statement the “standard” statement found on page 15 of the Curriculum and Assessment Operations Manual (https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf)
- For assessment purposes, perhaps the map quiz could be given during the first class meeting and then given again at the end of the third or fourth week of classes to document how the students’ understanding of the political geography of Africa has improved.

Political Science 4920H:

- The date when the research paper/screenplay assignment is due should be listed on the syllabus.
- The statement, “Be prepared to show up and say smart things” in the second paragraph of the course description probably should be deleted.

If you have any questions regarding this feedback please contact the Chair of the ASCC Honors Panel, David Stetson (cc’d on this email).

Best Wishes,
Danielle
