Dear Tony,

Yesterday, the SBS Panel of the ASC Curriculum Committee reviewed a new course request for International Studies 3450.

I am happy to report that the course was approved unanimously with a few recommendations:

- Form in curriculum.osu.edu has “freshman” (among others) checked off for intended rank. Freshmen are probably not the target/intended population for this course. Recommendation to uncheck that box. Since the course is in my queue, please let me know if you would like me to uncheck “freshman.”
- P. 3. of syllabus. Statement: “Instead of having quizzes, you will write several microthemes over the course of the semester [. . .].” Since the schedule lists three microthemes, Panel suggests that the statement be more specific and actually say, “Instead of having quizzes, you will write three microthemes over the course of the semester [. . .].”
- Replace F with E in grading scale. F is not a grade at OSU.

The course will next advance to the full ASC Curriculum Committee for the standard 2-weeks comments period.

Should you have any questions about this feedback, please feel free to contact Tom Schwartz (Chair of the SBS Panel), or me.

My best,  
Bernadette
