Jennifer and Charles,

Just a note to update you about Political Science 4123 (approved with contingency by the Arts and Humanities Panel for GE Historical Study on 9/12/14). The revision submitted by the Dept of Political Science was approved by the Chair of the Panel, Professor Janice Aski. (The course had previously been approved by the SBS Panel as a new course and for the requested GE Social Science—Organizations and Politics status.)

The course is now moving on to OAA. Provided the course request is subsequently approved all the way through the Office of the University Registrar, Political Science 4123 will be a new course with GE Social Science—Organizations and Politics and GE Historical Study starting Autumn 2015.

Please know that the GE assessment plans will need to be implemented each time the course is offered and GE data gathered. After the second offering of the course, the Department will be asked to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 7 of the ASC Curriculum and Assessment Operations Manual [p. 88] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can help the Department with any aspect of the GE assessment requirement. She will also make sure to contact the Department before the course is offered and provide any assistance that the faculty member(s) may need. Could you please communicate this information to the faculty member(s)?

Let me know if you have any questions.

Best,
Bernadette
