Dear Karen,

Yesterday, the ASC Graduate Curriculum Committee reviewed a proposal to add a specialization to the PhD in Arts Administration, Education and Policy.

I am happy to report that the request was unanimously approved with the request that a couple of documents be reconciled before the proposal move on to CAA:

- *Excerpt from minutes: Reconcile 2 lists of courses (the one in cover letter and the one in advising sheet). The advising sheet lists the following courses that are not in the cover letter: 7604, 7606, 7607, 7640, 7652, 7706, 7707, 7709, 7716, 7731, and 7744. Conversely, 7843 is listed in the cover letter but not in the advising sheet.*

Could you please send me revised versions of those documents?

Should you have any questions about this feedback, please feel free to contact Steven Fink (Chair of the ASC Graduate Curriculum Committee), or me.

Regards,
Bernadette
