Garrett and Debbie:

The proposal from the Department of Arts Administration, Education and Policy to establish a new Specialization in Art Education in its Ph.D. program, was approved by the Council on Academic Affairs at its meeting on March 19, 2014. Thank you for attending the meeting and responding to questions/comments.

No additional internal level of review is necessary.

This action will be included in the Council's next Annual Activities Report to the University Senate (June 2014).

This message represents my formal communication with you about this approval. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Henry Zerby (zerby.8), or me.
