Hi Sarah,  
The Department of Educational Studies has been working to update the ESHESA 2577 course as a GE for Autumn 2014, however it is now past the deadline for OUR approval for Autumn 2014. The Department would like to appeal to OAA to have the course approved for Autumn 2014, even though it is past the February deadline. Graduate Assistants, faculty, and staff support for the course are in place for Autumn 2014 based on its pending approval for Autumn 2014. Enrollment planning for Autumn 2014 was anticipated based on approval of the course as a GE.
