Dear Mike and Alisa,

As Mike already knows (since he is a voting member of the ASC Graduate Curriculum Committee), this week the ASC Graduate Curriculum Committee reviewed and unanimously approved Psychology 5425 and 8890 via an e-vote. (Psychology 5425 had previously been fully approved by the SBS Panel [for the undergraduate portion of the course].)

A couple of members commented that for the sample syllabus provided for 8890, it would be useful to see the number of credit hours requested (since the umbrella number is variable credit).

We will now advance the courses to the Graduate School and OAA.

If you have any questions about this feedback, please do not hesitate to contact Steve Fink, or me.

My best,
Bernadette
