Erica,

Yesterday, the ASC Graduate Curriculum Committee reviewed a new course request for Greek 5890.

I am happy to report that the course was unanimously approved by the Committee.

The Committee did have the following 2 comments:

- *"Greek 1101, 1102, or 1103" should probably be listed as exclusions.*
- *Subsidy level and intended rank: include doctoral.*

I can easily make those changes at my level. For the exclusions language, I will wait to hear back from you to make sure that the following language is appropriate: "Not open to students with credit for Greek 1101, 1102, or 1103." If alternate language is preferable, please let me know. I will add the "doctoral" information for subsidy level and intended rank.

Should you have any questions about this feedback, please feel free to contact Steven Fink (Chair of the ASC Graduate Curriculum Committee), or me.

My best,
Bernadette
