Dr. Goings and Tanina,

On Friday, January 10, the ASCC Arts and Humanities Panel reviewed a new course request for AAAS 4250 (GE Diversity—Global Studies and GE Social Science—Organizations and Politics).

I am happy to report that the Panel unanimously approved the course with the recommendation that when the course is offered the GE goals need to be added on the syllabus. (The GE expected learning outcomes are already included, but the GE goals need to be added as well.)

Provided the course request is subsequently approved all the way through the Office of the University Registrar, AAAS 4250 will be a new course with GE Diversity—Global Studies and GE Social Science—Organizations and Politics starting Autumn 2014.

Please know that the GE assessment plan of AAAS 4250 will need to be implemented each time the course is offered and GE data gathered. After the second offering of the course, the Department will be asked to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 6 of the ASC Curriculum and Assessment Operations Manual [p. 75] https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can help the Department with any aspect of the GE assessment requirement. She will also make sure to contact the Department before the course is offered and provide any assistance that the faculty member may need. Could you please communicate this information to the faculty member?

The course will next move to the full ASCC for the standard 2-weeks comments period.

Should you have any questions about this feedback, please do not hesitate to contact Janice Aski (cc'd on this e-mail), Chair of the ASCC A&H Panel on 1-10-14, or me.

All best wishes,
Bernadette
