Rachel,

On Friday, January 24, 2014, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a new course request for Spanish 4570.

The course was unanimously approved with one contingency, namely the request that SPPO ask for concurrences from the Department of Dance and the School of Music.

The Panel also had the recommendation that the syllabus contain the standard disability statement and statement on academic misconduct available p. 15 of the ASC Curriculum and Assessment Manual

I will return the course in a minute via curriculum.osu.edu to enable the department to upload the requested concurrences.

Should you have any questions about this feedback, please do not hesitate to contact Richard Fletcher (Chair of the A&H Panel; cc'd on this e-mail), or me.

My best,
Bernadette
