Spencer,

On Friday, January 24, 2014, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed new course requests for Bosnian/Croatian/Serbian 3101 and 3102.

The courses were unanimously approved with a few recommendations that I here list:

1) Bosnian/Croatian/Serbian 3101 (new course)

- Form in curriculum.osu.edu:
 - Prerequisites/Corequisites: There is no "Serbo-Croatian 1104" under semesters. Request to Department to correct.
 - Exclusions: "Slavic 5194" will be offered with different content over the years. If the group studies is listed as an exclusion, the Department should specify the term of offering.
- P. 1 of syllabus: The foreign language course goals/rationale are in actuality the old GEC Foreign Language goals and expected learning outcomes used under quarters. However, this course is not requesting GE status so those goals and learning objectives should be removed.
- It is recommended that the syllabus contain the standard disability statement and statement on academic misconduct available p. 15 of ASC Curriculum and Assessment Manual
https://ascas.osu.edu/sites/ascas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf

2) Bosnian/Croatian/Serbian 3102 (new course)

- P. 1 of syllabus: The foreign language course goals/rationale are in actuality the old GEC Foreign Language goals and expected learning outcomes used under quarters. However, this course is not requesting GE status so those goals and learning objectives should be removed.

Could you please share this feedback with the faculty member(s) who will teach the course? Also, please do let me know how we can correct the prerequisites and exclusions information for 3101.

Should you have any questions about this feedback, please do not hesitate to contact Richard Fletcher (Chair of the A&H Panel; cc'd on this e-mail), or me.

My best,

Bernadette
