Dear Clare,

On behalf of the ASC Curriculum Committee I want to thank you again for attending our meeting last Friday and providing additional information about the proposed changes to the English BA. I am happy to confirm that the revision to the major was unanimously approved.

One committee member pointed out a typo in the proposal p. 7 (point 4a about English 2270): "Because it also serves as a GE Cultures and Identities course, Folklore concentrators are encouraged to take the honors version for a smaller-group, more intensive experience." The name of the GE category is actually "Cultures and Ideas." I will make that change for you before advancing the proposal to the Office of Academic Affairs for review by CAA.

Further communication about the progress of the major revision will come from OAA. If the revision is approved by CAA, OAA will let you know when the Department can start implementing the revised major.

My best,  
Bernadette
