Clare:

The proposal from the Department of English to revise its undergraduate major program leading to the Bachelor of Arts degree – to include a required diversity course, and the establishment of four concentrations (Literature; Writing, Rhetoric, and Literacy; Creative Writing; and Folklore) with transcript designation - was approved by the Council on Academic Affairs at its meeting on April 2, 2014. Thank you for attending the meeting and responding to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2014).

This message represents my formal communication with you about this Council action. Please keep a copy for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Henry Zerby (.8) or me.

Congratulations on the successful completion of the review/approval process!

Randy
