Dear David and Kristi,

Yesterday, the ASC Graduate Curriculum Committee reviewed new course requests for Communication 7710 and Sociology 7710 (cross-listed courses).

I am happy to report that the Committee unanimously approved the courses.

The Committee did have the small recommendation that in the course description on the syllabus, first page, 2nd paragraph, the word "quarter" be replaced with "semester."

The courses will next be advanced to the Graduate School and OAA.

Should you have any questions about this feedback, please feel free to contact Steven Fink (Chair of the ASC Graduate Curriculum Committee), or me.

My best,
Bernadette
