Subject: Minor in Health, Environment, Risk, and Science Communication
Date: Friday, April 11, 2014 10:53:11 AM

Dear David,

Many thanks for coming to the ASC Curriculum Committee today and providing further information about the proposed Minor in Health, Environment, Risk, and Science Communication.

I am happy to report that the ASCC unanimously approved the minor. We will advance the proposal to the Office of Academic Affairs for review by CAA today.

Further communication about the progress of the minor will come from OAA.

Please let us know if you have any questions.

Best regards,
Bernadette
