Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)

To allow the course to be taught at a distance, if we choose to.

What is the rationale for the proposed change(s)?

We are using this 6000-level elective course as a test-bed for distance learning.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

None.

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No
