Dear Claudia and Patrick,

As you know, yesterday, the ASC Graduate Curriculum Committee reviewed a new course request for Chemistry 6050.

I am happy to confirm that the Committee unanimously approved the request.

The Committee did have two recommendations regarding typos in the syllabus:

- *References to May dates in right column under homework (yet this is a June course).*
- *P. 2: "Lesson Plan: Modify a ONE class (45- 50 minuets, NOT a block)." Replace word underlined with "minutes."*

The course will next advance to the Graduate School and OAA.

Should you have any questions about this feedback, please feel free to contact Steve Fink, or me.

Best regards,
Bernadette
