Dear Lisa and Rachel,

On Thursday, May 29, the ASC Graduate Curriculum Committee reviewed new course proposals for Spanish 5501.10 and 5501.20.

I am pleased to report that both courses were unanimously approved.

The Committee did have a recommendation that in the future syllabi written in a foreign language be either accompanied by a translation in English or a narrative summary of the information in the syllabi.

Also, at the request of the Committee, I have made the following small changes to the course descriptions:

- 5501.10: "AmerIndian language and culture courses offered in study abroad programs (i.e., Guaraní, Aymara). [. . .]" has become "AmerIndian languages and cultures (e.g., Guarani, Aymara) offered in study abroad programs [. . .]"
- 5501.20: "Amerindian language and culture courses offered through OSU or another domestic institution (i.e., Guaraní, Aymara). [. . .]" has become "AmerIndian languages and cultures (e.g., Guarani, Aymara) offered through OSU or another domestic institution [. . .]"

Both courses will now be advanced to the Graduate School.

Should you have any questions about this feedback, please do not hesitate to contact Steve Fink (Chair of the ASC Graduate Curriculum Committee), or me.

My best,  
Bernadette
