Hello Julie,

On Friday, February 21, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a request to add the Distance Education option to Linguistics 2000, an existing course that also carries GE Cultures and Ideas.

I am happy to report that this request was unanimously approved.

The Panel wishes to remind the Department that there needs to be GE assessment of the course on an ongoing basis. Ideally, the GE data collected for the Distance Education version of Linguistics 2000 should be compared to the non-Distance Education data for this course.

The course request will next advance to the full ASC Curriculum Committee for the standard 2-weeks comments period.

Should you have any questions about this feedback, please do not hesitate to contact Richard Fletcher (Chair of the A&H Panel; cc'd on this e-mail), or me.

My best,  
Bernadette
