Josh and Kate:

The proposal from the John Glenn College of Public Affairs to establish three new specializations – Education Policy, Policy Analysis and Evaluation, and Public Management - leading to the Bachelor of Arts in Public Affairs, was approved by the Council on Academic Affairs at its meeting on March 4, 2015. Thank you for attending the meeting and responding to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2015).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact Professor Rathman (.1) or me.
