- Make the GE goals and expected learning outcomes clear on the syllabus by replacing the table on page 1 with the goals and expected learning outcomes in list format
 - Goals:**
Students gain and apply academic knowledge through civic engagement with communities.
 - Expected Learning Outcomes:**
 1. Students make connections between concepts and skills learned in an academic setting and community-based work.
 2. Students demonstrate an understanding of the issues, resources, assets, and cultures of the community in which they are working.
 3. Students evaluate the impacts of the service learning activity.
- Suggestion: put the table from page 1 of the syllabus in the assessment plan

I will send back the course via curriculum.osu.edu. If you have any questions regarding this feedback please do not hesitate to contact me.

Best Wishes,
Danielle
