Dear Tony,

Today the SBS Panel reviewed and fully approved the Human Rights Minor with one small recommendation to update some of the wording on the advising sheet. I will do that for you. (Some of the boilerplate language in the right column needs updating to reflect the updated guidelines issued by CAA at the beginning of Sept.)

The minor will next be reviewed by the full ASC, which meets next Friday. The meeting will start at 8:30 and we estimate that the discussion of the Human Rights Minor will start around 8:45. Would you be available at that time to come present the minor and answer potential questions? Thanks for letting me know.

My best,
Bernadette
