Tony:

The proposal from the College of Arts and Sciences to establish an undergraduate minor program in Human Rights was approved by the Council on Academic Affairs at its meeting December 3, 2014. Thank you for attending the meeting and responding to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (June 2015).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Jim Rathman (.1) or me.

Congratulations on the successful completion of the approval process for this creative new program.

Randy
