Alisa,

On Friday, March 28, the SBS Panel of the ASC Curriculum Committee reviewed a request to change the number of Psychology 6832 to 5832.

I am happy to report that the request was unanimously approved. There were a couple of small recommendations pertaining to the syllabus (when the course is taught):

- Write statement about disability services in 16-point font.
- Clarify weight of each quiz (words “quiz” and “exam” are sometimes used interchangeably).

The course request will next advance to the full ASC Curriculum Committee for the standard 2-weeks comments period.

Should you have any questions about this feedback, please do not hesitate to contact Tom Schwartz (Chair of the SBS Panel; cc'd on this e-mail), or me.

Best wishes,  
Bernadette
