Dear Roman,

Yesterday, the NMS Panel of the ASC Curriculum Committee reviewed a new course request for EEOB 3494.

I am happy to report that the new course was unanimously approved with the suggestion that add a prerequisite (e.g., Bio 1113 or 1114 or equivalent).

EEOB 3494 will next advance to the full ASC Curriculum Committee for the standard 2-weeks comments period.

Should you have any questions about this feedback, please do not hesitate to contact Harald Vaessin (Chair of the NMS Panel; cc'd on this e-mail), or me.

Best,
Bernadette
