Dear Bishun,

The Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed the revised version of the Biology Major—Marion Campus proposal via an e-vote that took place from May 28-30.

I am happy to report that the proposal was unanimously approved by the Panel.

The proposal will next be reviewed by the full ASC Curriculum Committee. We will keep you informed of any decision made by that Committee.

Should you have any questions about this feedback, please do not hesitate to contact Harald Vaessin (Chair of the NMS Panel; cc'd on this e-mail), or me.

Best regards,  
Bernadette
