Dear Paula and Ashley,

On Monday, September 15th the ASCC Honors Panel reviewed History 2001H, 2002H, and 2204H.

-
History 2001H was unanimously *approved with contingency and recommendations*

- Contingency: provide an estimate of enrollment in the rationale. The Panel would like to know what the enrollment is expected to be on the regional campus.
- Recommendations
 - Make edits to the proposal. (The word the “access” is used in place of “assess” in several places. Example: Memorandum under Social Diversity GE Requirements #5)
 - Reconsider 4 week offering. If the course is taught during the 4 week (May session) term, would the reading list be modified?

-
History 2002H: The Panel did not take a vote on the course because they would like more clarification.

- The Panel noticed that the reading is far more extensive from 2001H to 2002H. Is that by design?
- Recommendations
 - Make edits to the proposal (“assess” instead of “access”)
 - Reconsider 4 week offering. If the course is taught during the 4 week term, would the reading list be modified?

History 2204H was unanimously *approved with contingency and a recommendation*

- Contingency: under extra credit on the syllabus add a “C” option or remove the reference to a C option.
- Recommendation: remove the reference to quarters

I will send back the courses via curriculum.osu.edu in a moment. Should you have any questions regarding this feedback please contact the Chair of the ASCC Honors Panel, David Stetson (cc'd on this email).

Best wishes,
Danielle
