Dear Paula and Ashley,

The ASCC Honors Panel *approved* History 20002H with the *recommendation* that the unit consider the amount of reading expected of students as it seems to be a lot for a 2000-level course.

Please resubmit the course through curriculum.osu.edu today so that our office can move it forward. It will need to go to Honors & Scholars for the next step in the approval process.

If you have any questions please let me know.

Best,
Danielle
