Dear Claudia and Tom,

This e-mail to confirm that the ASC Graduate Curriculum Committee unanimously approved a new course request for Biochemistry 6701 at its meeting on Thursday, May 29.

The Committee had one small recommendation that when the course is offered the syllabus include a course description.

Biochemistry 6701 will next advance to the Graduate School.

Should you have any questions about this feedback, please do not hesitate to contact Steve Fink, or me.

My best,
Bernadette
