---

Trevon and Ana,

On Friday, October 3, the Social and Behavioral Sciences Panel reviewed a new course request for Economics 5860.

The course was approved with two contingencies:

- In an e-mail dated 4-17-14, Michael Bisesi grants concurrence from Public Health but makes two requests. The Panel would like to see David Blau's response to this e-mail. The addition of this e-mail response to the course request will complement the proposal.
- Add meeting times (number of contact hours) on the syllabus.

I will send back the course via curriculum.osu.edu in a minute to enable the Department to make the necessary changes. (When we receive the revision, the course will be reviewed by the ASC Graduate Curriculum Committee—since the course is also open to graduate students.)

If you have any questions about this feedback, please feel free to contact Pok-sang Lam, or me.

My best,  
Bernadette
