Dear Tony,

Yesterday, the SBS Panel of the ASC Curriculum Committee reviewed a proposal for new course International Studies 3853.

The Panel unanimously voted not to approve the course as currently submitted for the following reason:

- Panel thinks that course is not rigorous enough for 3000-level. (3000- and 4000-level courses are upper-division courses at OSU. 2000- and 1000-level courses are lower-division courses.) Adjusted, this course would be a good freshman seminar (1137) for one credit hour.

(Side note: The Panel noted that the link in the academic misconduct statement does not work. Correct one is: <http://studentlife.osu.edu/csc/>)

I will return IS 3853 via curriculum.osu.edu in a minute.

If you have any questions about this feedback, please feel free to contact Pok-sang Lam (Chair of the SBS Panel; here cc'd).

My best,
Bernadette
