Dear Katra and Natascha,

On Friday, Sept. 26, the Arts and Humanities Panel reviewed a new course request for German 2250 (requesting GE Literature and GE Diversity—Global Studies).

The course was approved with two contingencies:

- Course seems a better fit for GE Cultures and Ideas than GE Literature. The course is truly about engaging with the culture and ideas of Berlin. Please resubmit with the other GE category.
- Assessment plan: Direct measures: The plan is more a course evaluation than a GE assessment plan. Very broad. Needs to be more specific.

If you have any questions about this feedback, please feel free to contact Janice Aski, or me. Also, please know that Carmen Taleghani-Nikazm is a member of the reviewing Panel, was present at the meeting, and may also be willing to provide help with the revision.

I will return the course via curriculum.osu.edu to enable the Department to address the contingencies.

My best,
Bernadette
