Dear Professors Johnson and Thomas,

This week the ASC Graduate Curriculum Committee reviewed proposals for the new cross-listed courses EEOB and WGSST 8896.20. I am happy to report that the new courses were unanimously approved. There was one small recommendation to add a course description to both syllabi (when courses are first taught) as there is currently no course description.

We will now advance the courses to the Graduate School and OAA.

If you have any questions about this feedback, please do not hesitate to contact Steve Fink (Chair of the ASC Graduate Curriculum Committee; cc'd on this e-mail), or me.

Sincerely,  
Bernadette
