Chris and Debra,

On October 10, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a request to teach "Literature and Culture of London" under the English 4575 ("Topics in Literary Forms and Themes) number this upcoming Summer.

The proposal was unanimously approved. Note that the Panel would have preferred to see a full syllabus and a fuller rationale for the credit hours. Indeed, without a more detailed explanation, one may very well think this is a 4 credit hours course. However, since the course will be submitted next year as a permanent course with its own number, the Panel approves this offering for now and will revisit the course when it is submitted for permanent inclusion in the course catalog.

The course proposal will next advance to the full ASC Curriculum Committee.

If you have any questions about this feedback, please feel free to contact Janice Aski (Chair of the Arts and Humanities Panel; cc'd here), or me.

My best,
Bernadette
