Dear Tony,

On Thursday, December 18, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a resubmission for new course IS 4805.

I am happy to report that the Panel unanimously approved the request with the following small recommendation: P. 2 of syllabus: Phase three—execution: “The exercise will continue for 24/7.” Question: What is meant by 24/7? Is it, for example, the case that the faculty member will expect students to respond to e-mail in the middle of the night? It might be useful to specify what 24/7 entails.

The course will next be shared with the full ASC Curriculum Committee and (provided there are no questions or comments) advance to OAA.

If you have any questions about the feedback above, please do not hesitate to contact Professor Pok-sang Lam (Chair of the SBS Panel; cc'd on this e-mail), or me.

My best & Happy New Year--

Bernadette
