Dear Harv,

This week the ASC Graduate Curriculum Committee looked at the new course request for Geography 5212.

I am very happy to report that the Committee unanimously approved the request with the minor recommendation that on p. 2 of the syllabus the reference to “5 short midterm examinations” be changed to “5 short examinations” (since they are not all midterms).

We will now advance the proposal to the Graduate School and the Office of Academic Affairs.

Should you have any questions, please do not hesitate to contact Steve Fink (Chair of the ASC Graduate Curriculum Committee; cc'd here), or me.

My best,
Bernadette
