Professor Swartz and Justin,

On Tuesday, November 25, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed course requests for NELC 5121 and 5126. I am happy to report that both courses were approved.

For NELC 5121, the prereq information had been changed on the syllabus though not on the form in curriculum.osu.edu--which matters since that is the information that will appear in the course catalog. I have changed the information on the form to say that the prereq is "Hebrew 1103, or permission of instructor."

Since the courses are 5000-level courses (i.e., also open to graduate students), they will next be reviewed by the ASC Graduate Curriculum Committee.

If you have any questions about this feedback, please feel free to contact Janice Aski (Chair of the A&H Panel, cc'd above), or me.

Best,
Bernadette
