Dear Professor Goldish and Jared,

On Wednesday, December 10<sup>th</sup>, the ad-hoc GE Education Abroad Panel of the ASC Curriculum Committee reviewed the GE Education Abroad category request for Jewish Studies 4798.02.

I am happy to report that the request was ***unanimously approved*** with the following ***recommendations***.

- Remove regional campuses from “campus of offering” in Curriculum.osu.edu as this course is designed to be offered through Columbus campus only. The ASC Curriculum and Assessment Services will make this change.
- Change language from “May semester” to “May session”
- Decide if the exam will be considered the Midterm or the Final and be consistent with language throughout the syllabus
- Remove “guided site visits” for ELO 2 on page 1 of the syllabus. Suggestion: Function effectively within Israel.

Jewish Studies 4798.02 will be shared with the full ASC Curriculum Committee and--provided there are no comments or issues--will be advanced to OAA.

Should you have any questions about this feedback, please do not hesitate to contact me.

Best Wishes,  
Danielle Hogle
