Dear Karen and Shari,

This week the ASC Graduate Curriculum Committee reviewed new course requests for Art Education 5797.02 and 5367.

I am happy to report that both courses were unanimously approved.

Art Education 5367:

- Shari: Before I advance this course, please move forward the withdrawal form for Art Education 3367 (since 5367 will take its place). I see that the withdrawal form was started on 7-1-14 but is still at the initiator level (was not advanced). When I receive the withdrawal form for 3367 via curriculum.osu.edu, I will advance it and 5367 at the same time.
- In the next few days, I will send a draft of the revised advising sheet for the American Indian Studies undergraduate minor (since 5367 will replace 3367 on the minor and the minor also needs to be adjusted to reflect the new university-wide guidelines issued by the Office of Academic Affairs in early Sept).
- The ASC Graduate Curriculum Committee noticed that a few sentences in the 5367 syllabus need to be reworked (when the course is offered) either due to typos or errors. I here communicate the feedback of one of our members:
 - First page under Rationale:
 - "In my pedagogical journey in dealing with Native issues, I have found that the exploring visual culture, historically and the impact of those images and structures influences current thoughts about Native Americans."
 - "Native Americans acknowledge that filmmaking as one of the highest art forms that have misinterpreted them from an outsiders' view and can also redefine from an insider's perspective." [Should "as" be "is"?)
 - "This course explores visual culture as cultural transmitters, political activist opportunities, and culturally significant and as educational spaces." [Should first "and" be "as"?)
 - Second page under Goals and objectives, last sentence of 1st paragraph. Should this sentence be deleted?
"The learning objectives are for students to:"

Art Education 5797.02:

The course will be shared with the ASC Curriculum Committee on Friday for possible comments. Barring any issues, the course will move on to the Graduate School and OAA at the end of business day on Friday.

If you should have any questions about the ASC Graduate Curriculum Committee review, please feel free to contact Steven Fink (Chair of the ASC Graduate Curriculum Committee; cc'd on this e-mail), or me.

My best,
Bernadette
