Professor Swartz & Justin,

On Friday, October 24, the Arts and Humanities Panel reviewed a proposal for new course NELC 2798.01. I am happy to report that the Panel unanimously approved the course with the small reminder that for future submissions the Dept of NELC should specify whether a new undergraduate course can be part of the major—and if that is the case, an updated curriculum map should be provided.

Since the course is requesting GE Education Abroad, the course will next be reviewed by the GE Education Abroad Ad Hoc Panel.

Should you have any questions about this feedback, please feel free to contact Janice Aski (Chair of the A&H Panel; cc'd on this e-mail), or me.

My best,
Bernadette
