Dear Kathleen,

Yesterday, the SBS Panel of the ASC Curriculum Committee reviewed the revised proposal to add a Social Science Analytics Specialization to the Data Analytics Major. I am pleased to report that the contingencies were deemed to be fully addressed. Therefore, the proposal is now fully approved by both the NMS and SBS Panels. The proposal will next be reviewed by the full ASC Curriculum Committee at its meeting on Friday, May 1.

Should you have any questions about this feedback, please feel free to contact Pok-sang Lam (Faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Best,  
Bernadette
