Bill,

This week the ASC Graduate Curriculum Committee reviewed a new course request for Mathematics 5421. I am happy to report that the course was unanimously approved.

The course will be shared with the ASC Curriculum Committee on Friday for possible comments. Barring any issues, the course will move on to the Graduate School and OAA at the end of business day on Friday.

If you should have any questions about the ASC Graduate Curriculum Committee review, please feel free to contact Steven Fink (Chair of the ASC Graduate Curriculum Committee; cc'd on this e-mail), or me.

My best,  
Bernadette
