Date: Tuesday, November 25, 2014 10:59:00 AM

Ed,

Engineering 5797.13 was quickly reviewed by the members of the full ASC Curriculum Committee on Friday, November 21 without any comments. The course will now move to the Office of Academic Affairs. Provided the course request is approved all the way through the Office of the University Registrar, Engineering 5797.13 will have GE Historical Study and GE Diversity-Global Studies starting Summer 2015.

Please know that the GE assessment plans will need to be implemented each time the course is offered and GE data gathered. After the second offering of the course, Engineering will be asked to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 7 of the ASC Curriculum and Assessment Operations Manual [p. 88] http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can help with any aspect of the GE assessment requirement.

Let me know if you have any questions.

Best,
Bernadette
