Dear Rebecca and Marthe,

On November 7, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a request for a new study abroad course, "Filmmaking in Berlin," to be taught under the generic Art 5797 number.

I am pleased to report that the course was unanimously approved with two contingencies and one recommendation.

Contingencies: Request concurrences from Department of Germanic Languages and Literatures & Department of Geography

Recommendation: Panel would have preferred to see a more fleshed-out syllabus that more clearly shows the link with the credit hours rationale. Also, the credit hour rationale document makes reference to "Arabic 5797." However, Panel agreed that this will be OK this time.

Once we receive the concurrences from you, we will submit the course request to the ASC Graduate Curriculum Committee (since this course is also a graduate course).

If you have any questions about this feedback, please feel free to contact Carmen Taleghani-Nikazm (Chair-for-the-day of the A&H Panel on Nov. 7; cc'd on this e-mail), or me.

My best,
Bernadette
