Many apologies Robert,

It seems to have gotten buried in my inbox. Thank you for sending along your Maymester course, I hope that we can work together in the future to coordinate some of our travel efforts. I have several faculty who are very interested in working in that part of the world, both from a historic and contemporary point of view.

Best wishes,

Rebecca

Dear Professor Harvey

On November 24 I sent a response to you. It contained a course we are offering that has some similarities with the course you are proposing. I am not sure what else you want me to add. I have no objection to your department offering the course. I merely wanted to bring to your attention a course at a different level that has similar characteristics insofar as it involves travel to Berlin during the May term.

Should you need something further from me, please let me know.

Dear Professor Holub,

I have not received a response to the concurrence request of November 19th and have been asked by the ASCC to contact you again.

We hope to be able to move this course to the ASC Graduate Curriculum Committee at the beginning of SP15 and so request your response by December 31st. If you do not respond by this date concurrence will be assumed.

Please do not hesitate to contact me with any questions or concerns.

Best,

Rebecca Harvey
